

2MNEXT adds GDOT Pre-Qualification in Work Group 8

Atlanta, GA. 2MNEXT is pleased to announce additional prequalification by the Georgia Department of Transportation in Work Group 8 – Construction (CEI).

"This is a key step in our firm's continuing expansion into roadway and bridge transportation projects for DOTs across the southeastern United States. Providing CEI services as a subconsultant and a prime consultant is a natural fit with our depth of expertise in testing, inspection, and construction management", offered Anu Saxena, P.E., Executive Vice President with 2MNEXT. Saxena added *"We will succeed in this area based on the credentials of our inspection staff and their ability to leverage technology to deliver high-quality services for our clients".*
